

KCDA Board Meeting – Radio Project Update

10-26-20

Kent County Radio Project – Cutover Process

- Site audits complete: identifying items to be addressed ASAP
- Console installation and training:
 - Final planning in process – may start next week – GR to transition first
- Transition of 3 existing MPSCS sites (ASR transition):
 - Targeting mid-November
- Radio operator training in process:
 - Both GR and KCSO have trained trainers
- Radio programming and distribution:
 - Completing drafts of master templates for agency review
 - Radio programming and distribution to be addressed by agency
- Cut-over to occur by agency

Kent County Radio Project – Tentative Cutover Timeline

* Note: Dispatch centers may cut-over to new consoles initially and then agency transition can occur later following radio programming and distribution
